

# PA August ACE Movie Night

## American Cinema Evenings

미국 외교관과 함께하는 **ACE** (대사관 영화 토론) 행사 participant로 초청합니다.

**American Cinema Evenings**, hosted by the American Center of the U.S. Embassy in Seoul, provide young Koreans an opportunity to explore American culture, history and society through the medium of film. Each evening will feature a film showing and discussion in English led by an American Embassy officer. Each month's film showing will reflect a particular theme of American culture including American history, regional culture, literature, the natural environment, modern technology and lifestyles, contemporary performing arts, etc. We invite all interested young people to join us for these special evenings!

- **Theme of the Month: Youth, Culture, and Students from Diverse Backgrounds**
- **Film Title: *Mad Hot Ballroom* (2005)**

Eleven-year-old New York City public school kids journey into the world of ballroom dancing and reveal pieces of themselves and their world along the way. Told from their candid, sometimes hilarious perspectives, these kids are transformed, from reluctant participants to determined competitors, from typical urban kids to "ladies and gentlemen," on their way to try to compete in the final citywide competition. Providing unique insight into the incredible cultural diversity that is New York City, this film profiles several kids from three schools (out of 60) at this dynamic age, while they learn the merengue, rumba, tango, the foxtrot and swing.
